### **Membership Meeting Overview, March 9, 2008**

The March PBVAC membership meeting was held at Beltrami Electric on 3/9/08. The Secretary's report was unavailable. The Treasurer's report was given.

Three \$500 charitable donations were voted on and awarded to the BHS Automotive Class, Beltrami County Historical Society and the Northern Minnesota Regional Science Fair.

The Endowment Fund committee will meet to determine the scholarship winners after the April 1st deadline. The committee members are Larry Hegstad, Diane Morris, Ron Koski, Mike Arnold and Dick Lueben. Additional volunteers would be welcome.

The engine raffle was discussed. Larry Hegstad checked with the state gambling board and it will not be possible to do a joint raffle with Club Redline, who is also having an engine built to be raffled off. They will also be donating the proceeds of their raffle to the Endowment Fund.

Car show report: Donations are coming for trophies and T-shirts. The flyer will be ready for folding at the April meeting. Four food vendors have committed. There will not be classes/categories this year. Beltrami Electric will be our headquarters. The meal for workers following the car show was discussed.

Sunshine Committee activities were discussed.

There is still one board position to be filled.

The Spring Dust Off is May 4, 2008. Date of the ditch pickup still to be determined.

The meeting was adjourned.

## **Board Meeting Overview, March 11, 2008**

The March PBVAC board meeting was held at Cenex on 3/11/08. The Secretary's report and Treasurer's report were read and approved.

Discussed using the wireless sound system at club meetings. It was also decided that we should pursue the purchase of a projector for club use.

The charitable donations process was reviewed. The voting worked good, as well as the application process. Diane Morris suggested we do it earlier next year. We need to arrange press coverage for the donation presentations.

The engine raffle was discussed. Profits from both our raffle and Club Redline's raffle will go to the Endowment Fund. Someone needs to contact Club Redline to work out the details and possibly let them know what it takes to run a raffle.

Larry Hegstad has an exempt one day permit application for the raffle. He will send it with the \$50 fee to the state of Minnesota. Now we can have the tickets printed.

Larry mentioned that there may be a couple of parties interested in the open board position.

The next car show meeting is Thursday, 3/13/08 at Cenex.

There was discussion about the supper after the car show, and whether or not it should that same day or later. The board recommends that it continues to be right after the car show.

The next board meeting is Tuesday, 4/15/08 at Cenex at 6pm.
